

## Why transitional employment **works**

- Canefields placement managers initially assess and learn the job
- Canefields placement managers screen and train an employee, working with them until they are confident and competent to work unsupervised
- Canefields placement managers make regular work site visits for support
- Canefields fill the position in the event of a sick day or holiday
- Ongoing contact is maintained through Canefields
- Canefields placement managers train a new worker at changeover at no cost to the employer
- Assists people in the community with a mental illness to get back to work!

Supporting People with a  
Mental Illness

## Become an Employer Partner

Tired of spending time and money recruiting and training staff for high turnover entry level positions? With Canefields Clubhouse, you can keep your costs down and your entry level positions filled without hassle.

### No recruitment costs

Your position will always be filled by a Canefields member or staff member; Canefields manages the recruitment process and the position at no cost to you!

### No training costs

All new staff are trained by Canefields staff at no cost to you!

### No turnover

Canefields guarantees the position will always be filled by a trained worker.

### No absenteeism

If a worker is unable to work their shift, a trained Canefields member or staff member will work in their place at no cost to you.

### Wage subsidies

Find out more about relevant wage subsidy payments available to your organisation. You may be eligible for each person employed by the organisation!

## TE Program Guarantees
